Profile Summary

Motivated and detail-oriented .NET Developer with academic and internship experience in ASP.NET, C#, Microsoft SQL Server. Seeking an entry-level role to apply technical skills in building robust, scalable software solutions and contribute effectively to team goals.

Education

➢ MCA (Master of Computer Application)

Solapur University, Solapur (June 2024)

➢ BCA (Bachelor of Computer Application)

Solapur University, Solapur (June 2022)

Skills

➢ **Web Development:** ASP.NET, HTML5, CSS3, Bootstrap 5.

➢ **Frameworks:** MVC, LINQ, Entity Framework.

➢ **Database:** Microsoft SQL Server, MySQL.

➢ **Programming:** C#, C, C++.

➢ **Tools:** Git, GitHub, Visual Studio 2022.

Internship (3 Months)

Company Name: Lemonade Software Developers

Project Work: Hotel Management System (.NET)

- Developed a web-based system using ASP.NET, C#, and Microsoft SQL Server to handle orders, billing, and customer records.
- Implemented crud operations for items and customer management.
- Enabled auto-calculation of billing totals and the bill generation process.
- Ensured user experience using HTML, CSS, JavaScript and Bootstrap for frontend design.

Projects

➢ **Appointment Booking System (.NET)**
- Built a scheduling platform to allow patients to book appointments with healthcare providers online.
- Eliminates the need for phone calls or emails to schedule appointments.
- Integrated email confirmation for successful bookings.
- Tech Stack: ASP.NET, C#, Microsoft SQL Server and using frontend design template.

➢ **Banking System (.NET with MVC)**
- Designed a banking application to manage customer records and perform crud operations such as deposit, withdrawal, update, and delete.
- Tech Stack: ASP.NET, MVC, Entity Framework.
